INTRODUCING THE ALL NEW!

Unlimited cure depth, no microleakage,

bulkeZ PLUS™

does even more!

Unlimited depth of cure

No additional primers or activators needed

Prevents gaps & leakage

One step, no layering or capping saves time

Same great benefits as Bulk EZ, PLUS:

Enhanced shade-matching, polishability, and wear resistance

Do more! Crown fabrication, core build-ups, post cementation

Perfectly balanced flow, stackability, and easy finishing

Introducing **bulkeZ PLUS**™

The game-changing dual-cure bulk fill composite just got even better, letting you do even more in less time!

Utilizing the same Intellitek Technology for unlimited cure depth and microleakage prevention as the original, Bulk EZ PLUS now incorporates state of the art 80 nm spherical zirconia fillers, enhancing the esthetics with better shade-matching and polishability, and ensuring greater wear resistance. Handling has also been fine tuned to allow for a wider variety of cases, allowing you to do more in less time. Bulk EZ PLUS offers results unlike any other composite from top to bottom!

Learn more about the bulk fill composite that's in a class of its own by calling 800.262.2310 or visiting Zestdent.com/bulkeZplus!
